

Butler Rodman Park

Welcome to Alliance's ballfield! There are plenty of ball games to play in this 64-acre park: Baseball, soccer, basketball, volleyball, miniature golf, and bocce. The park's baseball bragging rights include four baseball fields, three of them lighted, as well as being home to regional and state Hot Stove tournaments. With three playgrounds and a wooded nature trail, Butler is a great place for kids. The park also has four shelters and two gazebos.
