

# Maple Beach Park

Located on the eastern edge of Alliance along the Mahoning River, this 40-acre park offers a half-mile walking trail that loops along the water. Visitors will find abundant green space, two playgrounds, two lighted basketball courts, a tennis court and two baseball fields. Local flag football and kickball leagues often play here. It is also home to a pavilion-style amphitheater, built in 2015, which often is the site of gospel concerts and other performances.
