

Memorial Park

If ollies are your thing, this park is for you. Located on East State Street, this 16-acre property is home to the Rotary Skatepark, which is perfect for slides and grinds. If catching air without a board is more your style, check out the Wayfarer's Roost 9-hole Disc Golf Course. Memorial also has a shelter, grills, a basketball court, and a sand volleyball court, which is turned to an ice rink in the winter.
